

Poster Submission Instructions - TIMM 2021

You are submitting a poster pdf and/or video poster:

File specifications:

Poster files must be submitted in **pdf** format. The size must be <20MB.
For recorded video posters, the format must be **mp4**. The size must be <200MB.
Poster orientation must be **portrait**.

Video recording:

There are different ways to record a video presentation. The most preferred options are PPT or Zoom. To know more about how to record your video please read the separate instruction documents about self-recording.

Poster submission:

Once your poster is ready, please follow the following steps to submit it:

1. Name the file/s with the poster number, the title of the poster and the name of the poster author as part of the file name.
2. Email your poster/s (PDFs and/or videos) to the email address tim2021@navus.io
3. Add the poster number, poster title and the poster author name to the email subject.
4. Add your personal details in the email body so we can reach you if there are any issues.

SUBMISSION DEADLINE:
MONDAY 27 SEPTEMBER 23:59HRS. CEST
